SECURE TESTING SERVICES

NOW SERVING ALL OF NEVADA

# WHY NEVADA EMPLOYERS CHOOSE STS

National capability. Nevada response. One accountable partner.

## Drug and alcohol testing should protect your operation — not slow it down.

STS delivers responsive, compliance-focused workplace testing with the reach of a national provider and the accountability of a local partner.

### ✓ 49 STATES SERVED

One trusted partner for local and nationwide testing needs.

### ✓ 24/7/365 RESPONSE

Live support for post-accident, reasonable-suspicion and urgent events.

### ✓ EMPLOYEE-BASED TEAM

STS-trained employees — not an anonymous chain of gig workers.

### ✓ DOT + NON-DOT EXPERTISE

Compliance-focused collections and program support performed correctly.

### ✓ QUALITY ASSURANCE

Documented training, internal oversight and consistent execution.

### ✓ DEDICATED ACCOUNTABILITY

Real people, direct communication and one point of responsibility.

## CORE SERVICES

- DOT & Non-DOT drug testing
- Random testing programs
- Pre-employment testing
- Reasonable suspicion testing
- Post-accident testing
- Return-to-duty & follow-up
- Breath alcohol testing
- Hair & oral-fluid collections
- Supervisor training & policy guidance

## THE STS DIFFERENCE

Our standards don’t get outsourced. Every collector representing STS is an STS employee — personally hired and trained by STS, with ongoing education, regular QA audits and performance reviews built into how we operate.

## READY FOR A BETTER TESTING PARTNER IN NEVADA?

Let’s make workplace testing simpler, faster and more accountable.
